Carleton University's CURVE Repository preserves and makes openly available scholarly, scientific, educational, professional, and cultural works created within the Carleton Community.

By submitting the work to CURVE you agree to the following:

1. The submission is your original work, and you are able to grant the rights contained in this license. Where there are multiple authors, you have the authority to submit the work to the Carleton University Repository and you have notified all authors of this submission.
2. Your submission does not, to the best of your knowledge, infringe upon anyone's copyright or other proprietary rights.
3. All third party copyright material has been clearly identified and acknowledged within the text or content of the Work and any necessary copyright clearance to use the material has been obtained.
4. The Work does not contain any libelous matter, does not invade the privacy of any person or third party and is consistent with **Tri-Agency Framework: Responsible Conduct of Research** (<http://www.rcr.ethics.gc.ca/eng/policy-politique/framework-cadre/>).
5. All items submitted to CURVE repository will be retained indefinitely and Carleton University will make good faith efforts to ensure continued readability and accessibility. As such:
  - a. You grant to Carleton University the nonexclusive right to provide access to the work and to give it visibility in scholarly and other search indexes, including library managed services, Google Scholar and others.
  - b. You also agree that Carleton University may keep more than one copy of this submission for purposes of security, backup and preservation.
